Product Share on Social Media

What is Share Product?

Share Product, as the name of this feature explains its working clearly. It helps the user of the app to POST/SHARE their products at different Social Media like Facebook, Twitter and Google+.

How to do Attribute Mapping?

To POST/SHARE your products on Social Media,

- Go to **Products**.
- Then, **Share Product**.
- On “**Share Product**” a grid will be opened listing all your Published products. See the below image,

The screenshot shows the 'Walmart Product Share' interface. On the left is a sidebar menu with options: Home, Product, Manage Product, Category Mapping, Attribute Mapping, Product Taxcode, Product Feed, Repricing, Lag Time, Promotional Price, **Share Product**, Order, Import Export, Promotion, Help, and Referrals. The main content area has a title 'Walmart Product Share' and a 'Refresh Catalog' button. Below the title is a yellow notification box with a warning icon and text: 'Post your products on different Social Media platforms (Facebook, Twitter and Google+) so that you can get more and more audience and sales. Read In Detail'. Underneath is a search bar with a 'Filter' dropdown and a search button. Below the search bar, it says 'Showing 1-25 of 609 items.' and '25 per page' with navigation arrows. A table lists products with columns: NAME, SKU, CATEGORY, STATUS, UPC, and ACTION. Two products are visible: 'Kong: Skull Island (Blu-ray)' with SKU 883...05 and 'The Final Season (DVD)' with SKU 09736...49. Both have a 'PUBLISHED' status and a share icon in the ACTION column.

You can SHARE either individual product or in bulk, you have both the options. If you have recently uploaded more products and they are not showing on this grid then click on “**Refresh Catalog**” button.

To **SHARE** products on social media in bulk, follow the given steps:

- Select the check boxes in the row corresponding to the products you want to **SHARE** or select all.

The screenshot shows the 'Walmart Product Share' interface. On the left is a navigation menu with options like Home, Product, Manage Product, Category Mapping, Attribute Mapping, Product Taxcode, Product Feed, Repricing, Lag Time, Promotional Price, Share Product, Order, Import Export, Promotion, Help, Referrals, and Settings. The main content area has a title 'Walmart Product Share' and a 'Refresh Catalog' button. A yellow banner at the top contains a tip: 'Post your products on different Social Media platforms (Facebook, Twitter and Google+) so that you can get more and more audience and sales.' Below this is a search bar with a 'Filter' dropdown and a 'Search' button. The interface shows 'Showing 1-25 of 707 items.' and a pagination control set to '25 per page' on page '1 of 29'. A table of products is displayed, with the first three rows having their checkboxes selected. A red box highlights the '25 products selected' status, the 'Share Product' dropdown menu, and the 'Action' button. The table columns include product images, titles (e.g., 'Complete Season 1 [DVD]', 'Agents of S.H.I.E.L.D.: Season 5 [DVD]', 'Lo...'), product IDs, categories (all 'TV Shows'), statuses (all 'PUBLISHED'), and prices.

- Select “**Share Selected Products**” from the drop-down and click on “**Action**” button.
- You will see new tabs will be open, you need to log in first and then Click on “**POST**” button to post the product.
